Returned with compliments.

The monthly limit is fixed with reference to - journeys to be performed within the State.

No objections are therefore, being raised in respect of an excess over the monthly limit, if such excess is due to performance of journeys outside the State, under Orders of Government, in each case. Only when the T.A. claim for a month for the journeys performed within the State, exceeds the monthly limit sanction of Government is required to be sought.

The T.A. bill under reference falls under the latter category, in as much as the claim for journeys performed within the State works out to Rs. 145-9-0 against the monthly limit of Rs. 133⅓/-

There have been no such cases in previous periods.
